

## Seminar on Cyber Crime Awareness

(6 April, 2021 )

Resource Person: Ms. Reema Saini, Crime Analyst at Cyber Cell, Police Commissionerate Jaipur

Objective of the seminar: To aware the students with different types of cybercrime and how to prevent them.

The Department of CS & IT in association with Department of Business Studies of IIS (deemed to be University) jointly organized an Online Seminar on 'Cyber Crime Awareness' on Tuesday April 6, 2021 between 10:00AM to 12:00 Noon for the students of the University. A total of 200 students from the courses like BCA, B.Com Pass/Hons, B.Sc, M.Com, COSD Cyber Law, and COSD Animation attended the session. The speaker for the seminar was Ms. Reema Saini, Crime Analyst at Cyber Cell, Police Commissionerate, Jaipur. She is a graduate in Computer Science Engineering having skills & expertise in Information Security and Cyber Crime Investigation and has worked on more than 300 cyber crime cases. She has trained Indian Airforce Officers, law enforcement officers at Rajasthan Police Academy, Central Detective Training School -

Chandigarh, Sri Lankan Officials, police officials of several states like Delhi, Haryana, Punjab, Himachal Pradesh, Rajasthan and Kurukshetra, on handling Cyber Crime Cases. With the increased use of technology for everything one does these days it becomes inevitable that students are made aware about the cybercrimes being committed by cyber criminals to safeguard oneself again it and this session was designed to do exactly the same. During the lecture Ms. Saini shared a lot of cases which she solved in the past and also gave a lot of tips to the students on how to keep themselves safe while using internet and social media. The session was well received by the students as they asked a lot of questions after the house was opened for the questions. In the end Ms. Reema Saini shared her own phone no. and email id along with some other website and emails on which cyber crimes can be reported.
