

## International Conference on Data Analytics and Management : ICDAM 2021

(26 June, 2021 )

International Conference on Data Analytics and Management - 2021 was organized jointly by IIS University, Jaipur, Jan Wyzykowski University, Polkowise, Poland and Panipat Institute of Engineering and Technology, India on 26th June 2021. The formal inaugural ceremony of the long awaited Indo European Conference began with Lamp Lighting and Saraswati Vandana. ICDAM-2021 was organised with the objective of bringing together innovative scientists, professors, research scholars, students and industrial experts in the field of Computing and Communication to a common forum. The primary goal of the conference was to promote the exchange of innovative scientific information between researchers, developers, engineers, students, and practitioners. Another goal was to promote the transformation of fundamental research into institutional and industrialized research and to convert applied exploration into real time application. Inaugural Speakers at ICDAM-2021 were Prof. Dr. Zdzislaw Polkowski from Jan Wyzykowski University, Poland and Prof. Dr. Jan Walczak, Dean, Jan Wyzykowski University, Poland . Chief Guest of the

conference was AICTE Member Secretary Shri Rajive Kumar. Conference Patron was Dr. Ashok Gupta, Honorable Chancellor, IIS University, Jaipur. Conference Chair: Prof. Vijay Singh Rathore, IIS University, Jaipur.

Keynotes session were delivered by Dr. Ali Kashif Bashir, Manchester Metropolitan University ,United Kingdom who discussed the role of internet in shaping of the future, Dr. Nilanjan Dey, JIS University, Kolkata, India who spoke about dealing with small data sets and Mr. Aninda Bose, Senior Editor, Springer who presented his views on publishing tools and author services.

The Conference was a great success with an overall 647 papers submissions, more than 2000 authors (who submitted), 21 countries that participated and 129 participants with 20% acceptance ratio. Overall the conference successfully provided the researchers and attendees with prospects for national and international collaboration and networking among universities and institutions from India and abroad for promoting research in the area of data analytics and management.
